Since its grand opening in July 2007, more than 2,000 youth have enjoyed the Timber Hill Reservable Area at Rentschler Forest Preserve. Timber Hill, the only publicly owned campground in Butler County dedicated solely to organized youth group camping, is in need of many repairs and improvements. Since its purchase in 2005, several renovations and enhancements have taken place, but there is still much more to be accomplished. The Timber Hill Restoration Coalition (THRC) is working in cooperation with current owner, MetroParks of Butler County, to raise funds for the purchase of new water lines throughout the campground, improved parking areas, a modern shower house with flush toilets and wall tents, all of which will enable us to accommodate more children at Timber Hill. Your donation will help us achieve these goals and assist the THRC in creating a first-class camping facility for the youth of Butler County.

There are many donation levels to fit everyone's budget. Donors giving \$500.00 or more will be highlighted on our website. All donors will be included in our Annual Report. In addition, The THRC sells membership packages, which include discounts on camping at Timber Hill and free MetroParks Motor Vehicle Permits, good at any MetroParks property. See our Membership Form for more information. The THRC is a 501(c)(3) organization. All contributions are tax-deductible to the fullest extent of the law.

Please check the appropriate donation level, provide your name and address on the form below and mail to the address at the bottom of the application. Your support is greatly appreciated!
