

CAMP CLEANUP

Timberhill gets a facelift

Above, Josh Goodman, 13, a volunteer from Boy Scout Troop 969, paints the trim near the roof of one of the buildings Saturday afternoon at the Timberhill Reservable Area on Ohio Route 4 in Liberty Twp.

Left, Samuel Hauenstein, 9, a volunteer from Morgan Twp. Cub Scout Pack 935, shovels mulch into a wheelbarrow for use on one of the trails at the Timberhill site.

An official at the event said about 150 children and adults volunteered to help with the cleanup as part of Saturday's Make A Difference Day.

The cleanup and revitalization project was hosted by the Timberhill Restoration Coalition.
